BE A POLL WORKER!
www.helpnorthtexasvote.com

The number of poll workers serving on Election Day is consistently not adequate, according to elections officials in Dallas, Denton, and Tarrant counties. While an inadequate number of poll workers is a significant problem of its own, an added burden results from the lack of bilingual poll workers. Not having enough poll workers can force a polling site to close or lead to delays at the voting booth. According to election officials, the result could prevent people from exercising their right to vote. By signing up to become part of the *Help North Texas Vote College Program*, you can make the difference on Election Day, November 2, 2004. If you are a registered voter and wish to take on a larger role in the United States election process, sign up today!

Poll Working: It's not just for your granny
