Re: MicroVote General Corp. ECN 139 Submitted for Approval

Dear Bernie Hirsch

The EAC has reviewed Engineering Change Order **ECN 139**, including supporting documentation and analysis provided by the voting system test lab. This minor change of end-of-life replacement for Seiko printer does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO are:

MicroVote EMS 4.0
MicroVote EMS 4.0-B
MicroVote EMS 4.1
MicroVote EMS 4.2
MicroVote EMS 4.3-A
MicroVote EMS 4.4
MicroVote EMS 4.41

This correspondence is to inform you that MicroVote General Corp. **ECN 139** is approved.

Sincerely,

Brooke Watters
Senior Election Technology Specialist
