Re: Election Systems & Software, Inc (ES&S) ECO-1164 Submitted for Approval

Dear Sue McKay

The EAC has reviewed Engineering Change Order **ECO-1164**, including supporting documentation and analysis provided by the voting system test lab. This minor change includes a DS300 Ballot Bin Handle Kit. This Ballot Bin Handle Kit are intended to repair the mounting integrity of the handle in a field environment and does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO are:

EVS 6.3.0.0
EVS 6.4.0.0
EVS 6.5.0.0

This correspondence is to inform you that Election Systems & Software, Inc (ES&S) **ECO-1164** is approved.

Sincerely,

Jonathan Le
Senior Election Technology Specialist
U.S. Election Assistance Commission
