**Re: Dominion Voting Systems Corp ECO-101007 Submitted for Approval**

Dear Victor Vasquez

The EAC has reviewed Engineering Change Order **ECO-101007**, including supporting documentation and analysis provided by the voting system test lab. This minor change adding IOGEAR USB 3.0 High-Speed Multi-Card Reader to expand the list of Compact Flash / SD Memory Readers does not alter the system's reliability, functionality, capability, or operation. Based on the information provided, it has been determined that no further testing is necessary.

The systems impacted by this ECO are:

Democracy Suite 5.5  
Democracy Suite 5.5-A  
Democracy Suite 5.5-B  
Democracy Suite 5.5-C  
Democracy Suite 5.5-D  
Democracy Suite 5.17

This correspondence is to inform you that Dominion Voting Systems Corp **ECO-101007** is approved.

Sincerely,

---

Thomas Freitag  
Field Services Specialist
