### Video 2: Making a Plan to Vote

---

If you want to vote, it's important to understand the options available in your community.

Making your plan to vote is simple.

First, make sure you're registered.

Check your status at [vote.gov](https://www.vote.gov).

Next – determine how, when, and where you'll vote.

You may have a few options to vote *before* Election Day.

And voting *on* Election Day is *always* an option.

For more information, contact your state or local election office or visit [EAC.gov](https://www.EAC.gov).
